- 1985-1987 two-years postgraduate course in Clinical Hypnosis at the Italian Institute of Clinical Hypnosis and Psychotherapy “H. Bernheim”, Verona, Italy (12 weekend every year- 30 hours each- of training in Clinical Hypnosis).
- 1988-1990 3 years Specialization in Anaesthesia and Intensive Care, at the University of Verona, Italy.
- 1996-97 Specialization in advanced studies on Pediatric Anaesthesia and Intensive Care, at the University of Padova, Italy.
- 2001 one-year postgraduate course in advanced study on Biomedical Technologies and Holistic Medicine, at the State University of Milano, Italy.
- 2000, 2002 and 2006, 3 years Specializations in advanced studies on Acupuncture at the State University of Milano, Italy.
- 2007 one year Master of 2° level in “Integration between Traditional Chinese Medicine and Western Medicine” obtained at the State University of Milan, Italy and the State University of Nanjing, China.
- 2008 one-year Specialization in Pain Therapy and Palliative Care at University of Padova, Italy.
- 2011 one-year Specialization in Psychogerontology and Psychogeriatric at University of Brescia, Italy.
- 2012 May University of Manitoba, Canada, ‘Dignity Therapy Training Workshop’. Professor Dr. Harvey Max Chochinov, the Manitoba Palliative Care Research Unit, Winnipeg, Canada.
- 2014 post graduate course in Systematic revisions and meta-analyses for producing evidence-based guidelines in the healthcare sector - Cochrane method, at University of Verona, Italy
- 2015 Summer school on Neuroscience at the ‘Cattolica University’ in Milano, Italy.
- From 2013 to 2016:
  1. PhD Doctorate fellowship in Neuroscience, Psychological and Psychiatric Sciences at University of Verona, Verona, Italy.
  2. Pain Therapist and Palliative Care Physician at University of Verona, Verona, Italy.
- 2017 PhD Doctorate in Neuroscience, Psychological and Psychiatric Sciences at University of Verona, Verona, Italy.

- January 2017 –July 2017 Research fellow at NIH National Institutes of Health, Clinical Centre, Pain and Palliative Care, Bethesda, MD, USA
- 2018 one-year postgraduate course in Neurobioethics at Department Neurobioethics at UNESCO Chair in Bioethics and Human Rights, Pontifical University Regina Apostolorum, Roma, Italy
- From 2017-now Research Team UNESCO Chair in Bioethics and Human Rights, and Coordinator International Research group on Consciousness Studies at Pontifical University Regina Apostolorum, Roma, Italy
- From February 2020-now member founder, Board of Directors and Director Ethical Committee ITALIAN SCIENTIFIC SOCIETY CLINICAL HYPNOSIS IN PSYCHOTHERAPY AND HUMANISTIC MEDICINE –SIPMU [www.sipmu.org](http://www.sipmu.org)

SIPMU is internationally recognized by ESH European Society of Hypnosis <https://esh-hypnosis.eu/about/constituent-societies/>

- From August 2021 Director Ethical Committee ISH International Society of Hypnosis

## Skills

**Personal Medical skills:** Clinical Diagnosis, Pharmacological, anesthesiologic and Psychological therapies in Pain therapy, Palliative care and Psychosocial Oncology; Local and Regional Anesthesia; Acupuncture; Mesotherapy; Neural therapy; Psychosomatic Medicine; Clinical Hypnosis, Self-Hypnosis, Group Hypnosis, Meditative States and Mindfulness; Music therapy in Pain therapy, Palliative care and Psychosocial Oncology; Stress management; Mindfulness based stress reduction; Psychosomatic Medicine.

**Communication skills:** Self-confidence and mental resilience; Symptom Management in Pain Therapy, Palliative Care, and Psychosocial oncology; Dignity therapy at the end of life (by Professor Chochinov' method, University of Manitoba, Canada); Clinical Research.

**Skills in Medical and Health Teaching and Education:** Teaching and Education in: Psychosocial Oncology, Pain therapy, Acupuncture to relief suffering in cancer patients, Acute and Chronic Pain Control, Palliative Care, Hypnotherapy in pain therapy and palliative care, Mindfulness for cancer patients, Psychosomatic Medicine in cancer, Communication, Stress Management in cancer, Mindfulness based stress reduction, Group therapy in cancer and Palliative Care; Self-confidence and mental resilience; Symptom Management in Pain Therapy and Palliative Care Experience in organization of Congresses, Symposia, Lessons and Seminars Past Researcher at NIH National Institutes of Health, Pain and Palliative Care, Bethesda, USA (2017)

Board of Editors of APM Annals of Palliative Medicine, scientific Journal Indexed on PubMed.

**Languages:** Italian - Mother language; English – Good professional

### **Professional Experiences**

- 1985-1986 Medical Assistant at the Neurological Department of State Hospital of Verona, Italy.
- 1987-1990 Medical Assistant at the University Department of Anesthesia Intensive Care and Pain Therapy Centre of University Hospital "G.B. Rossi" in Verona, Italy.
- 1990-1996 Medical staff as Anesthesiologist, Critical care physician and Pain therapist, at the University Department of Anesthesia, Intensive Care and Pain Therapy Centre at "Borgo Trento" Hospital In Verona, Italy.
- 1996-1999 Medical staff, as Anesthesiologist, Critical care physician and Pain therapist, at the Department of Anaesthesia, Intensive Care and Pain Therapy Centre of "Sacro Cuore" Hospital in Negrar, Verona, Italy
- 1999-2000 Medical staff, as Anesthesiologist, Critical care physician and Pain therapist, at University Department of Anaesthesia, Intensive Care and Pain Therapy Centre of "Borgo Trento" Hospital In Verona, Italy.
- 2000-2011 Medical practice as Physician in Pain Therapy, Palliative Care and Psychosocial oncology, with disable and cancer patients for AIST Italian Association for the Study of Pain Therapy and Clinical Hypnosis, in Verona, Italy (skills: Pharmacological therapy, Local and Regional Anesthesia, Acupuncture, Clinical Hypnosis, Self-Hypnosis, Group Hypnosis, Mindfulness, Meditative States.)
- 2012 (January- September) Health Director, Pain therapist and Palliative Care Physician in the Skilled Nursing Unit Care Home "Residenza Valle dei Laghi" in the city of Cavedine, Trento, Italy [www.residenzavalledeilaghi.it](http://www.residenzavalledeilaghi.it)
- Since November 2012 to December 31, 2016 Medical staff as pain therapist ad PhD fellow (neuroscience, psychology and psychiatry) at the Medical Staff of Pain Therapy, at the Department of Anaesthesiology, Intensive Care and Pain Therapy, University of Verona, Verona, Italy.
- 2013-2016 PhD Doctorate fellowship in Neuroscience, Psychological and Psychiatric Sciences at University of Verona, Verona, Italy
- 2017 Research Fellow at NIH National Institutes of Health, Clinical Center, Pain and Palliative Care, Bethesda, MD, U.S.

2017 Scientific Seminars and Courses attended at NIH National Institutes of Health, Clinical Center, Bethesda, MD, USA:

NIH Information Security

Privacy Awareness

NIH records management training

Journal Club

Pheochromocytoma

Seminars in Neuroscience

No Escalation of Care at the end of life

Alcoholism/Peri-aqueductal grey  
 Case Conference  
 Quality and Patient Safety  
 Methadone vs opioids in Palliative Care  
 Pain anesthesiological Interventions  
 NIH new hire records management training  
 NIH secure remote computing  
 NIH 10 modules of the Responsible Conduct of Research training  
 Heals versus Cure  
 Mindfulness in Palliative care  
 NIH Computer-based Clinical Research Training Course  
 NIH Office of Clinical Research Training and Education  
 Five wishes in Palliative Care  
 Case conferences

- From 2017-now Research Team UNESCO Chair in Bioethics and Human Rights, and Coordinator International Research group on Consciousness Studies at Pontifical University Regina Apostolorum, Roma, Italy
- From February 2020-now board of Directors and Director Ethical Committee ITALIAN SCIENTIFIC SOCIETY CLINICAL HYPNOSIS IN PSYCHOTHERAPY AND HUMANISTIC MEDICINE –SIPMU [www.sipmu.org](http://www.sipmu.org)

### **Professional Affiliations and Membership**

- Member 1985-2014 of the Italian Institute of Clinical Hypnosis and Psychotherapy “H. Bernheim” Verona, Italy, and teacher from 2000 to 2014 in: clinical Hypnosis in Pain Therapy and Palliative care at the Postgraduate School of Specialization in Psychotherapy ‘Scuola di psicoterapia psicosintetica ed ipnosi ericksoniana – H. BERNHEIM’ (recognized by Italian Government Department of University and Scientific Search).  
<http://www.miur.it/ElencoSSPWeb/CercaIstituti.aspx?IstituitoID=150&Regione=20>
- 1987-1990, 2020, 2021 Member of AISD Associazione Italiana per lo Studio del Dolore AISD, Italian Association for the Study of Pain, Italy
- Member S.I.M.P. Società Italiana di Medicina Psicosomatica (Italian Society of Psychosomatic Medicine) Milan, Italy, since 2000-2015
- Member of American Society of Clinical Hypnosis ASCH since 2004.
- 2005-2010 Scientific Director and teacher in Pain Therapy, Palliative care and Clinical Hypnosis, at AIST Italian Association for the Study of Pain Therapy and Clinical Hypnosis.
- 2012 Scientific Director, and faculty at AIST Italian Association for the Study of Pain Therapy and Clinical Hypnosis: annual ‘ADVANCED TRAINING OF CLINICAL HYPNOSIS’ 50 hours, recognized by ESH European Society of Hypnosis.
- 2011-2014 President AIST Italian Association for the Study of Pain Therapy and Clinical Hypnosis.

- 2006 Scientific collaboration in Acupuncture in Pain Therapy at the State University of Milan, Italy , experience exchange and training activity between WHO (Geneve), Lombardy (Italy) and China for developing an integrative system of traditional and conventional medicine
- 2010-2013 Member APA American Psychological Association, Division 30: The Society of Psychological Hypnosis.
- Since 2013 member ISH International Society of Hypnosis: since August 2021 Director of Scientific Committee
- 2010-2014 member ESH European Society of Hypnosis
- 2010- 2014 Member ESRA the European Society of Regional Anaesthesia & Pain Therapy
- 2015 member EAPC European Association of Palliative Care
- 2015 member Canadian Society of Palliative Care Physicians CSPCP
- 2015 member CAPO Canadian Association of Psychosocial Oncology
- Since 2020 member founder and board of directors SIPMU Italian Scientific Society Clinical Hypnosis in Psychotherapy and Psychosomatic Medicine.
- Since 2017 Coordinator International, Interdisciplinary, Interreligious group on Consciousness Studies at GdN Scientific Group on Neurobioethics at Pontifical Athenaeum Regina Apostolorum and UNESCO Chair in Bioethics and Human Rights

### **Scientific Books published in Italian language**

1. Brugnoli MP. (2005) Tecniche di Mental Training nello Sport: Vincere la tensione, aumentare la concentrazione e la performance agonistica.
